### HERE IS A FUNNY THING

That happened in our store a few days ago. A woman came in to buy poker - and she bought a stove, or an ALL STEEL "JEWEL" RANGE, which is better still; a clear illustration of what we have often claimedthat to see the "JEWEL," to make a critical examination of its remarkable and incomparable virtues as a Quick Cooker, Baker and Fuel Saver, is to BUY THE JEWEL, even though the person who inspects it may not be actually in immediate need of a Cooking Stove. For some years the "MAGEE" FURNACES have enjoyed the reputation of being almost perfect as a Warm Air Medium. The "BOSTON HEATER" is the "MAGEE'S" latest crowning accomplishment.. We are the only house selling the famous "BOSTON MAGEE HEATER."

FOURTH-It is a perfect Biographical Index. You can turn to n with perfect confidence for full particulars of the life of any mas of note down to this present year, 1890.

### Why Americanized Encyclopædia Britannica?

Because that name describes it accurately. It is the Encycloundia Britannica-latest edition-remodeled so as to fit it for use In American homes. The original "Britannica" was compiled by Englishmen for the use of Englishmen. The "Americanized Britannica" has been rearranged by Americans for the use of Americans. The original work devotes special attention to subjects of special interest to Englishmen. The Americanized Edition devotes special. actention to subjects of special interest to Americans. The original work gives no biographies of people who were living at the time it was compiled. The Americanized Edition contains the biography of every noted man, whether alive or dead. The latest edition of the original "Britannica" was compiled nearly fifteen years ago. The Americanized Edition has been revised and corrected to the present
